ONLINE

Want to find out more about HART? Check out our website online at <http://www.cityofhendersonky.org> Click on "City Services" tab and then select "Mass Transit".

Henderson Area Rapid Transit (HART) was created in 1957 as a publicly owned mass transit system, of which all citizens who live in the City of Henderson are part owners. HART pledges to provide affordable and efficient public transportation to the citizens of the City of Henderson.

HART continues to make improvements to its vehicles and facilities. The transfer point located at 3rd and Main allows passengers to transfer buses conveniently. HART has acquired new accessible vehicles that meet the Americans with Disabilities Act requirements and HART will continue to replace the fleet with accessible vehicles as the current fleet exceeds its useful life.

Our telephone information center is open Monday through Friday from 8:00 AM to 5:00 PM. Just call (270) 831-1249. We are always willing to help you. When you call, be sure to state where you wish to board the bus, your destination, and the time of day you wish to make your trip.

RIDING HART IS EASY

WHERE TO CATCH THE BUS

For your convenience, HART stops at every intersection along each route. As the bus approaches, make certain that the driver can see you. There may be other people at the intersection who do not want to catch the bus, so be sure to signal to the bus as it approaches. Flagging eliminates unnecessary stops and guarantees you faster service.

WAVE, RIDE, AND ENJOY!

WHICH BUS TO CATCH

The signs on the top front and side of the bus indicate the route on which that particular bus operates. The name of the route indicates the principal street or streets traveled or the destination to which the bus is going. If after checking the head sign you still have a question, please ask your HART driver.

BOARDING THE BUS

Please have your exact fare ready when boarding the bus. HART drivers do not carry change or tokens. If you need to transfer, ask for a transfer slip at the transfer point at Third Street and Main Street. A transfer can only be used at the transfer point at Third Street and Main Street.

RIDING THE BUS

After paying your fare, please move to the rear of the bus. Make front seats available for elderly or disabled persons or people with small children. Whether you are standing or seated, please do not move until the bus has stopped. Eating, drinking, or smoking is not allowed on the bus. In the winter, always check the front steps for snow or ice and hold on to the hand rail.

EXITING THE BUS

Please let your driver know your destination or where you want to get off one block ahead by pulling the cord or touching the yellow "touch" tape above and between the windows. As you exit, do not cross the street in front of the bus. Wait until the bus leaves to stop before you cross the street.

ETIQUETTE

There are a few courtesies to other passengers that we ask you to observe:

- No smoking allowed. *It is the law.*
- Eating and drinking are not allowed on the bus.
- Electronic devices are a nuisance and an interference with the driver. Use earphones only.
- Please volunteer your seat to an elderly person or a person with disabilities if the opportunity arises.
- Baby strollers, shopping carts, and other items must be kept out of aisles.
- Please limit packages to what you can carry.
